

January 27, 2012

NEXT WEEK:

- **February 1: Arabic Spelling Bee (Lombard, Illinois)**

COMING UP:

- **February 6-16: MAP testing**
- **February 17: Science Fair**

Assalamu Alaikum,

Reminders and Announcements:

- The **Quran Competition** will take place on May 7th.
- Avicenna Academy's **Science Fair** will be held on February 17th. Please mark your calendars and ask your student what s/he is working on!
- On Wednesday, February 22nd, we will have **early dismissal**. Students will dismiss at 1:30pm.
- All **parent visitors and observers must report to the office** prior to commencing with a visit or observation. The office must be made aware of visitors at all times. Parents are welcome here at Avicenna, but we must make sure that the visits serve a purpose and do not distract from any student's learning.
- A **parent survey** will be emailed to each parent this evening. Please take a few moments to answer the questions as decisions will be made based upon responses from parents. One of the issues addressed in the survey will be early dismissal days. Please stay tuned.
- Should you have any concerns or questions about anything related to the school, please feel free to contact me directly. If I am not in the office, you may reach me on my mobile: (808) 292-7030.

Jazakum Allahu Khairan.

Ms. Amanda Arceo, M.S., M.Ed.
Principal
